

We hosted the National Day of Prayer via Livestream this year. We were led in prayer by San Diego's leaders in the faith, media, homelessness, health, law enforcement and education communities.

Right before Covid locked us down we were able to partner with the San Diego Rescue Mission (SDRM) and Downtown Partnership's Clean & Safe for a major downtown homeless outreach and clean up event. This was a great venue for interacting with those who are homeless while cleaning up the community. We look forward to the next one after Covid.

Russ Lenk, our Mentorship Coordinator, partnered with Mary Benirschke, Walk With Me founder, and Crystal Carlson, Walk With Me Program Coordinator at SDRM, to assist with development of the program. DF believes Walk With me is the right model for coming alongside individuals who are in transition from homelessness to home and we are adopting the program.

Via Zoom, members enjoyed 12 monthly fellowship meetings with excellent speakers from organizations such as San Diego Rescue Mission, Urban Youth Collaborative, Broadway Heights Community Council, Regional Task Force on the Homeless, and other member organizations.

Provided spiritual and practical support to residents of Connections Housing through Real Life Skills, Bible Studies, Restore Life recovery groups, Life As It Should Be encouragement groups, and transportation assistance.

Assisted and certified the monthly Downtown Partnership Clean & Safe homeless count.

- 1. **Unite the Church** by coordinating the central San Diego National Day of Prayer event on May 6, 2021 and providing more support for pastors and their churches and our Fellowship members.
- 2. Partner with the Community by more actively collaborating with Downtown businesses, engaging volunteers and resources in planned service and solutions. We seek to have more businesses engaged in our community clean-up days and homeless outreaches as a part of our established partnerships with Downtown Clean & Safe, San Diego Rescue Mission, and Think Dignity. We would also like to add some Downtown business leaders to the leadership of Downtown Fellowship.
- 3. **Serve the most Vulnerable** by participating in the development of the "Walk With Me" program, a broader reaching mentorship program involving other partnerships and by expanding our programs to the Atmosphere Apartment Complex.

To Accomplish our 2021 Goals...

- We hope to increase our membership to 60 members and increase our activities supporting organizational members and their goals. Membership renewals and new members account for approximately \$5,000.
- Raise \$7,000 from partners to directly support those who are in transition from Homeless to a Home through move-in kits, support of Project Homeless Connect and printing of Downtown Care Guides.
- Raise \$5,000 from independent donors to directly support those who are in transition from Homeless to a Home through the Walk With Me program, transportation assistance, and transitional "bridge" funding,

2021 Financial Man

Our proposed budget for 2021 is \$41,000. Approximately \$24,000 is already committed. You can contribute in a number of ways:

- Renew your membership or become a new member (\$50 Individual/\$100 Organization/\$1000 Premium).
- Invite others to become members. Donate, knowing that 100% of your gift will help support our mentorship/Walk With Me program including transportation assistance, care guides, move-in kits, or bridge funding for individuals in transition.
- Become a monthly donor, giving \$50 or \$100/month. (\$100/month makes you a Premium member)
